ALC evening classes-first series for 2008

Three modules are being offered in this Autumn series from the end of April to the first week of June. Two classes at Australian Lutheran College offer the opportunity to explore Health and Happiness with Pastor Bob Kempe and Differences in Christian churches with Dr Jeff Silcock. A class addressing the question, 'Where is God in our topsy-turvy world' with Dr Peter Lockwood is to be held at Immanuel Lutheran Church, Novar Gardens. A poster and enrolment brochures have been sent to the congregation.

Hope Study Group

(previously L.I.F.E. Study Group)
Tuesday 29th April are meeting at the Murray Bridge Community Club at 6.00 pm for a meal.

Please note that the group L.I.F.E. Study Group have decided to change the name to "Hope Study Group" because of another group in the Church with a similar name.

~Prayer Corner~

For use by friendship groups, study groups, other groups, & individuals.

"Always be joyful and never stop praying. Whatever happens, keep thanking God because of Jesus Christ. This is what God wants you to do — 1 Thess. 5:16-18"

- **"IF MY PEOPLE WHO ARE CALLED BY MY NAME** will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and heal their land." 2 Chronicles 7:14
- Give thanks to God for keeping people safe while they travelled during the school holidays and for the time to relax and refresh ready for the next school term.
- Thank God for those who carry out the church's work in the world through education, aged care, community care and all other services.
- Pray for seasonal rain for seedtime and harvest and for the wise use of our resources, especially water and energy.
- Pray against false deceptive spirits where people have been led astray—pray for people to see clearly and to repent and turn back to Christ.
- Ask God to be with anyone going through difficulties, facing problems, in hospital or recovering from operation or illness. May His healing hand be on them giving them new strength & health. We think particularly of Merv Schopp (recuperating at home).

BUILDING CHILD FRIENDLY COMMUNITIES

How Child Friendly is Murray Bridge? What can we do?

On Monday May 12th Lutheran Community Care is hosting a day based on these questions at John Dohler Hall.

There are 2 sessions:

A day time seminar/workshop from 9 am – 3.30pm
And an evening session from 7 – 9pm

This is a subject that should interest many in the community, especially in our churches. Professor Geoffrey Woolcock, an Urban Research Planner from Queensland Uni, who has worked with other communities who are also involved in the Communities for Children program, will be our guest facilitator.

Communities for Children is an Australian Government Initiative, and part of the Stronger Families and Communities Strategy. Locally it is facilitated by Anglican Community Care, with the program being one of Lutheran Community Care's programs run out of their Murray Bridge office.

For catering purposes we would appreciate people booking into the sessions, which are FREE by Wednesday May 7th to Lutheran Community Care on 85326598.
