~Prayer Corner~

For use by friendship groups, study groups, other groups, & individuals.

"Always be joyful and never stop praying. Whatever happens, keep thanking God because of Jesus Christ. This is what God wants you to do — 1 Thess. 5:16-18"

- Thank and Praise God for His forgiveness of us and that He claims us as His own even though we all sin and fall short of the mark.
- Pray that we continue to cling to the forgiveness we receive through Christ.
- Continue to pray for the people of Burma and China as they care for the many who are affected by the disasters and work at rebuilding the areas affected within their countries. Pray that we and other nations will be generous in our support of those in need. Ask the Holy Spirit to open the hearts of the Burmese Government and Military so that aid agencies can distribute the resources that have been donated.
- Pray for those at Resthaven –Nita Jurecky, Ivy Przibilla, Dorrie Materne, Les Scheer, Melva Jantke and Irene Schubert and for those in Lerwin - Monica Eckermann.
- Pray for any in our midst who need special care and help at this time. Ask God to surround them with His loving, comforting arms and to give them help, healing and encouragement. We think particularly of Evelyn Wegener (home) & Val Stevens.

LUTHERAN COMMUNITY CARE
'Sharing the love of Christ - building caring communities'

Are you able to assist?

With our renovations almost complete, we now have a few small jobs that we need to get done in the next couple of weeks. We require a handyman who has a drill and would be willing to hang some signs, notice boards, etc for us in the building. As drilling would be into the stone wall a hammer drill may be required. If you are able to assist please contact Joylene Crouch on 85313644, or call into the office during the week.

Response from Australian Lutherans to help refugees in southern Sudan Myanmar (Burma)

As you know, aid agencies have faced major challenges working in Myanmar (Burma) after Cyclone Nargis. The good news is our Australian Lutheran support that we are channeling through the proven ACT (Action by Churches Together) International network is success fully reaching the people who need it. Using this system and process (rather than ad hoc efforts) gives us the best means of ensuring aid is delivered efficiently and effectively, and provides sustainable help. Below is an excerpt from the latest update from on-the-ground teams.

Through already established networks of community-based organisations, members of ACT International have assisted more than 100,000 people. Volunteers are procuring relief goods locally in Yangon and in the Delta region. ACT members plan to provide safe water through the rehabilitation of 5,000 water points. Other planned assistance includes emergency shelter for up to 340,000 people, along with at least 10 days of food aid for up to 68,000 people. Members are also planning distribution of non-food items to 112,000 people.
