### Compass - The Passion: Films, Faith & Fury

British theologian Robert Beckford traces the relationship between faith and film, from the first Bible movies made over a century ago, to the more contemporary blockbusters such as The Last Temptation of Christ, Mel Gibson's The Passion of Christ, Cecil B De Mille's Ten Commandments and Monty Python's The Life of Brian. Interviewees are drawn from academics, critics and directors (Martin Scorsese, Norman Jewison and Terry Gilliam) and W. Barnes Tatum author of Jesus at the Movies.
