A Passover in the JDHall - 7pm

This Maundy Thursday we will have a symbolic meal together. Jesus on the night he was betrayed was celebrating the Passover with his disciples. It was during this festive meal he celebrated the first communion. It is also where Jesus spelled out the New Commandment.

**BRIEF NOTES FROM THE LEADERSHIP MEETING – 25<sup>th</sup> February 2008**

**Church Rep for Kindy** – We currently have 3 offers from members, with 2 continuing until the end of 2008 ( Brenton Klemm and Grant Klenke). Deb Colley has offered to be the 3<sup>rd</sup> rep. We will have to look around for 2 replacements before the end of 2008.

**IT Officer & Webmaster positions** – Ron Jericho is in this position and is working on the web site. Currently Ron is looking for more information and coming events to include in the web site.

**Reformation Service** – Letters have been sent out to the different groups who should be involved. Monarto Lutheran Church and Concordia Kindergarten will be part of the worship service.

**Church Trading Name** – Laurie Hannaford has the forms for submission to the Office of Business and Consumer Affairs, to change our trading name to “Christ Church Lutheran”.

**Aboriginal Ministries SA: Field Conference** – to be held in the JD Hall, 13<sup>th</sup> and 14<sup>th</sup> October. We can provide the catering when the numbers are known.

**Aboriginal Ministries SA** – Pastor Edmund presented a document regarding his proposed involvement in a house church network in Adelaide for 1 day each week, within the aboriginal community. Pastor Edmund said he is only there to “encourage, nurture, teach and support this community” and that it would be a minor role. This would not impinge on his work here at Christ Church Lutheran. The request has come from the LCA SA\NT Office for Pastor Edmund to follow through with this ministry outreach, as the harvest is plentiful but the workers are few.

**Combined Pentecostal Service:** May 18<sup>th</sup> – Christ Church Lutheran is leading.

**Get Real Conference:** 17 – 18<sup>th</sup> April: Dr Mike Foss (Power Surge, Real Faith for Real Life) – Dr Foss is right into discipleship and how to grow a healthy Church. We need to

get ideas and learn from other people.

Should encourage as many as possible to come and be inspired by Dr Foss, particularly on the Saturday.

**Cultivating Your Mission DNA Seminar:**

15<sup>th</sup> & 16<sup>th</sup> February: Tim Hein – 4 members attended, and came back with ideas.

Asking:

If we are in tune with our own culture to connect with the mission in our backyard?  
What is Church other than Mission and Community?

What is Church about?

What does a “missional” Church really look like?

If there is new thinking, there must be new behaviour.

The team that attended will put out a précis of the seminar together to stir you and consider.

**Fuel Conference: 10<sup>th</sup> March:** Unity College – is happening

**Worship Ideas** – A document was tabled regarding more interaction within the 10.45 am worship service, with more time for worship\ fellowship, sharing our discipleship experiences and at times a meal together. The document gave some weekly components that could be considered, interlocking with the “regular” components of this worship time. This resulted in a positive discussion that may lead into other programs of the Church but there needs to be further discussion within the Leadership Team, Worship Teams and with the Congregation, before a trial period occurs. The precursor to this is document is that we seem to have lost some of the laughter, community and warmth that God intended for his family. And that we are not growing (in numbers) from simply opening the worship centre doors on Sunday.

**You are encouraged to visit the Christ Church Lutheran web site and make any comments about the presentation :**
