

HELP WANTED

We need some more people to help fill the spots on rosters for next year. If you are interested please contact Yvonne in the office. If we don't get the help we may need to cancel one of the services on Sunday as we don't have enough people offering to help on the day! If you would like to help with any of the following please contact Yvonne: wardens, readers, greeters, PA, Data Projector operator, Communion Assistant or anything else.

Also we are looking for more people to go on the grounds roster and the watering roster.

Please prayerfully consider if you can assist.

Thank you.

WELCOME

Jesus is here to serve you!

Dear friends in Christ, thank you for joining us! We welcome all visitors and pray you are made to feel at home here in our congregations. If you are at a service with **Holy Communion** and you are a visitor who is a baptised believer and not a member of the Lutheran Church but believe that you will be receiving the body and blood of our Saviour, the Lord Jesus Christ, then an open invitation is extended to you. Non-communicating adults & children are encouraged to come for a blessing and are asked to keep their hands by their sides.

Pastoral Care Slips - You will find these slips on the ends of the pews. We would like you to fill in any details/comments and place in the offering bag or give to an usher or the pastor as you leave the church.

Reaching out with the Love of Jesus that All may Know, Worship & Grow in Christ

The Lighting of The Christmas Tree Ceremony Diamond Park - 16th November

We once again have opportunity as a church community to take part in this Ceremony to coincide with the Pageant the following day.

While we realise that it is a busy time of year for everyone it is a great opportunity to serve our community and share the Christmas Message. It is also a scheduled CHIL evening which we will hold at Diamond Park that evening.

We would love to hear from anyone who is willing to be involved with this opportunity to make it a memorable event as a preparation for Christmas for the people of Murray Bridge.

Starting at 6pm with a BBQ, music and activities and finishing with the lighting of the Tree in Diamond Park by a Councillor/or Lord Mayor approx. 8.45pm

If anyone can help us out with setting & cleaning up that would be very much appreciated or even to support the small team during the course of the evening. Please let us know how you can help.

Changes to National Police Checks and Working with Children

Please be advised that a National Police Certificate can no longer be obtained for the purpose of working with children through SA Police. And while it is still possible to obtain a background screening through SA Police for the purpose of working with vulnerable people, the recommendation of the LCA Professional Standards Department is that all future background screening checks for volunteers are sought via the LCA SA-NT District using the Department for Human Services (DHS - formerly the Department of Communities and Social Inclusion) screening unit.

A volunteer can now apply for all five of the different types of DHS checks at the same time in one process – and the recommendation is that volunteers tick the box for all five types, even if they do not expect to need all types. There is no charge if the application for these is submitted at the same time. This also obviates the need for a separate National Police Certificate.

The five types of screening are:

- Child-related employment screening (a Working With Children Check – WWCC)
- Disability services employment screening
- Aged care sector employment screening
- Vulnerable-person-related screening
- General employment probity screening

Under new legislation expected to commence shortly, and or under the LCA Child Protection Procedure, a WWCC is required for all congregational decision makers and for anyone who works with children. Apply one month prior to your current check expiry.

Please speak with Carla or Yvonne if you have any queries or for an application form.
