PRAYER:

✠ Heavenly Father, we give thanks for those who work in the earth you have created – farmers, primary producers and gardeners, who till the soil, plant the seed, tend the crops, and harvest so others may eat. We give you thanks for those who; with hard toil and long hours will fill our tables with the gifts of your gracious hand. Help us to plant seeds of hope, to nurture fruits of the spirit, to be harvesters of justice and growers of grace.

"LIFE THROUGH THE LENS"

LINES

Lines are exciting things. They can be thick or thin and go from thin to thick and back to thin, all to be part of the design of the line's creator. Think about it. We have "power lines", "railway lines", "lines on roads", "brickies lines", "water lines", and lines drawn by architects, engineers, artists, and garden planners. It is hard to think of anything made or designed by people that didn't involve one or more lines at some stage. Lines can be straight, the front can catch up with the back and become a circle, and they can designate angles or wander and become "doodles".

From our births, I believe God has a plan for how each of our "lifelines" will appear. "Lifelines planned out of love and not in the controlling, slavish way we draw lines. In His book of words, the Bible, he tells us, "I know the plans and thoughts that I have for you," says the Lord, 'plans for peace and well-being and not for disaster, to give you a future and a hope". **(Jeremiah 29:11)**

Our "Lifelines" designed in love to create beauty, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control in our own lives and the lives of others; when in care and love, we join our lines to theirs.

Sometimes we might decide to draw our line where we want it to go. Then find it ends up in a sort of "ink-smudged blob". When that happens, God's love for you can become real if you let him. He has been following your line all the time. Now he says, "Here! Why don't you let me get rid of that mess. My Son Jesus died (it's called sacrifice), so any unsightly "life-smudging blobs" can be got rid of forever as far as the eastern horizon is from the west". **(Psalm 103:12)**

God's love for all people is so great. He doesn't just get rid of the "life-smudging blobs" and leave us to get on as best we can. He says, "Here! Let us start a new line together! If you only trust me, I will guide you so your life gets back on track, **(Psalm 32:8)**, and your "lifeline" will make the wonderful, exciting pictures I have always had in my mind for you. Your "Lifeline pictures" will also impact and help others with their "Lifelines".

Not sure?

Who knows what designs you might make through this world together? **He does!** Talk to Him about it.

God bless,
Kevin.

1

Who do you turn to when you're in trouble? Why?

2

Jesus taught us that God never gets sick of hearing our prayers, even when we ask for the same things over and over again. What need are you asking God to meet at the moment?

TALK

Talk about the Bible verse. What word or phrase was important to you as you read these verses?

Rituals and Traditions

PRAY

Lord God, teach us to always seek you and to never give up. Amen.

BLESS

May the Lord keep you from all harm and watch over your life.

Sundays after Pentecost

GREEN is a sign of life and nature and as such represents growth, life and hope.

Creative Response

Luke 18:7 talks of God's people crying out to him 'day and night.' Prayer each morning and evening gives spiritual bookends to our home life. As a household devotional practice for this week use Martin Luther's Morning and Evening Prayers each day.

MORNING PRAYER

I thank you, heavenly Father, through your dear Son, Jesus Christ, that you have protected me through the night from all harm and danger. I ask you to keep me this day, too, from all sin and evil, so that in all my thoughts, words and deeds I may please you. In your hands I place my body and soul and all that is mine. Let your holy angel be with me, so that the evil one may have no power over me. Amen.

EVENING PRAYER

I thank you, heavenly Father, through your dear Son, Jesus Christ, that you have graciously protected me today. I ask you to forgive all my sins and the wrong which I have done. And graciously keep me this night. In your hands I place my body and soul and all that is mine. Let your holy angel be with me, so that the evil one may have no power over me. Amen.

mealtime prayer

Lord, in your name we drink and sup; teach us to pray and not give up. Help us to look to you this day, and show our thanks in all we say. Amen.

verse for the week

The Lord keeps you from all harm and watches over your life. The Lord keeps watch over you as you come and go, both now and forever.

PSALM 121:7-8

Service

Jesus told a parable about a woman who was persistent with the judge in her town until he gave in and listened. Sometimes God calls us to be persistent in our lives too. Think of ways you might need to persist for the good of someone you know. Perhaps this is in prayer. Perhaps this is continuing to show kindness. Perhaps this is in serving the needs of someone else. Set a goal to 'persist' in this good way this week.

MVLC WEBSITE. Work on the Murray Valley Lutheran Community Website is well underway. The aim of the website is two-fold. One is being a place where members of the congregations can find all the information they need to be active members. The other is to be a first point of contact for anyone in the community who would like to learn about Jesus and know more about our church.

We already have some sermons and devotions, locations and ministry groups but what is needed now is more information from the congregations.

I'm looking for information about the bible study groups, the craft groups, the members who get together regularly for coffee, upcoming events, that sort of thing. If you facilitate such a group or event and would like more people to join in please email me at mvlcwebsite@gmail.com

It would be wonderful to have people who are willing to be contactable via the website either by phone or email so that people who want to join these groups can contact you for more information.

Also please let me know what is important for you to see on your website. The website can only be as good as the information you provide.

Thanking you in anticipation - Carolyn McLaughlin

RECYCLE & BE GREEN

In the October Lutheran on page 17 there is an article about becoming a greener congregation. In a very simple way the Murray Valley Lutheran Community could help create a greener environment with less landfill. Using the Churches recycling system is a start. Think of all the paper (junk mail, newspaper, magazines, general correspondence, etc) that is thrown out each week. Cardboard (any packaging — cereal boxes, medication packets (just block out the name), boxes from new items bought. EASY— just put everything in a box and deliver to the recycling sheds.

Holy Cross recycle shed open Wednesday 9-10am or Sunday morning. Should you have a quantity to donate in your garage or shed a pickup can be arranged. Phone Malcolm 0458755314. The one that really adds to funds raised is the 10c deposit CANS & BOTTLES plus tetra packs, Yukult bottles and the like. **Christ Church** open 24/7 for paper, magazines, cardboard etc.

THINK of the environment, think recycle shed, think how in some small way you can help the
